SJD airport planning target Sunday 09:20. Your confirmed shuttle lists 08:10 pickup; reconfirm it at the resort. Airport targets are planning buffers, not airline deadlines.

Ticketed times checked against the original receipt and Oct 18 trip notice. Official status pages could not be refreshed in this document-building pass; no new live-status claim is made.

The overnight route to LaGuardia.

Overnight rail connection

- **Wed 00:33 • NJ TRANSIT 3892**
New Brunswick → New York Penn 01:36.
- **Penn → Jackson Hts → LGA**
Use the 8 th Avenue subway entrance at 34 St-Penn. Earlier verified overnight work routes the Queens-bound F along the E line to Jackson Hts–Roosevelt Av, then the free Q 70 to TerminalB. Recheck the linked MTA alert before boarding.
- **04:29 • LGA TerminalB target**
Allow 90 minutes or more from Penn as a planning buffer, not a live prediction.

Fallbacks, not promises

Missed 3892? Backup 3800 departs New Brunswick 01:19 and reaches Penn 02:19. Check departure boards. If rail or subway becomes unreliable, compare a direct car to LGA with the airport target.

Train ticket: check the NJ TRANSIT app before traveling.

Very early airport arrival: counter opening, security access, shops and lounge admission are separate. Do not assume overnight amenities or lounge access.

Rail timings rechecked against the official temporary weekday timetable effectiveOct 11–Nov 14. MTA's live alert did not load in this pass; the specific F reroute remains a prior verified instruction to recheck.

If something goes wrong.

Immediate danger in Mexico: 911. Get somewhere safe and ask hotel staff to help you contact official services.

Lost wallet or card

1. If merely misplaced, temporarily lock it in the issuer app while searching.
2. If lost/stolen, promptly report it to the issuer for cancellation/replacement and review recent charges. A freeze is not a theft report.
3. Ask about hotel delivery and temporary payment options. Timing and availability are not guaranteed.

Amex freeze ends automatically after 7 days; some digital-wallet/recurring transactions can still post. Collect calls may require operator assistance and mobile/roaming fees may apply. No replacement-delivery promise.

Lost passport

If traveling on a U.S. passport: contact U.S. consular services promptly and state your flight date. Reporting it lost/stolen invalidates it, even if later found. Replacement requires an in-person application; a photocopy cannot replace your passport for flying home.

Bring available ID, citizenship/passport copy, 2x2-inch passport photo, itinerary, DS-11 and fees. Consular staff can advise if something is missing. An emergency limited-validity passport may be possible, not guaranteed.

Your return is Sunday Oct 25. Mexico passport services require appointments and are unavailable weekends/U.S. or Mexican holidays. Do not wait until airport departure.

Los Cabos Consular Agency is listed at Las Tiendas de Palmilla L-B 221, Km 27.5 Carretera Transpeninsular, San José del Cabo 23406. On-site emergency passport issuance was not verified: contact first, do not arrive expecting same-day service. If your passport is not U.S.-issued, use your country's embassy/consulate instead; ask about separate visa/residency-document implications.

Before leaving home: keep a backup card and modest emergency cash separate from the everyday wallet. Save a protected offline passport copy separately from the passport, plus insurance assistance details if insured. Verify banking-app access. Do not put full card numbers, CVV or passport images in this HTML.
